

Earthstone[®] by Innova.

Earthstone[®] captures the enduring beauty of stone in a high-performance fibre cement façade system. Shaped by inspiration from the natural world, each panel features unique tonal variation and patina detailing that creates a refined yet raw architectural expression.

Features and benefits

- ✓ Factory applied water repellent sealer for faster installation and reduced labour costs.
- ✓ Stone-inspired appearance with natural variations.
- ✓ Complete system with accessories and colour-matched fixings.

Inspired by nature.
Designed to endure.
